A photograph of a ZARA store at night. The building's facade is illuminated with a warm, golden light, and the word "ZARA" is prominently displayed in large, white, illuminated letters across the upper section. The ground floor features large glass windows and a central entrance, all showcasing mannequins dressed in contemporary clothing. The interior of the store is visible through the glass, showing more mannequins and clothing racks. The overall atmosphere is modern and sophisticated.

Airfreight Services

Consolidation Service

We co-ordinate with overseas vendors to pick up your goods from a variety of individual suppliers and consolidate orders into one economical shipment to your place of business. This service also simplifies financial process as we settle the payment on your behalf and charge your account, then invoice you later upon arrival.

Garments On Hangers

"GOH" We provide suppliers with our own ready made hangers to store garments inside, then deliver them to its final sale.

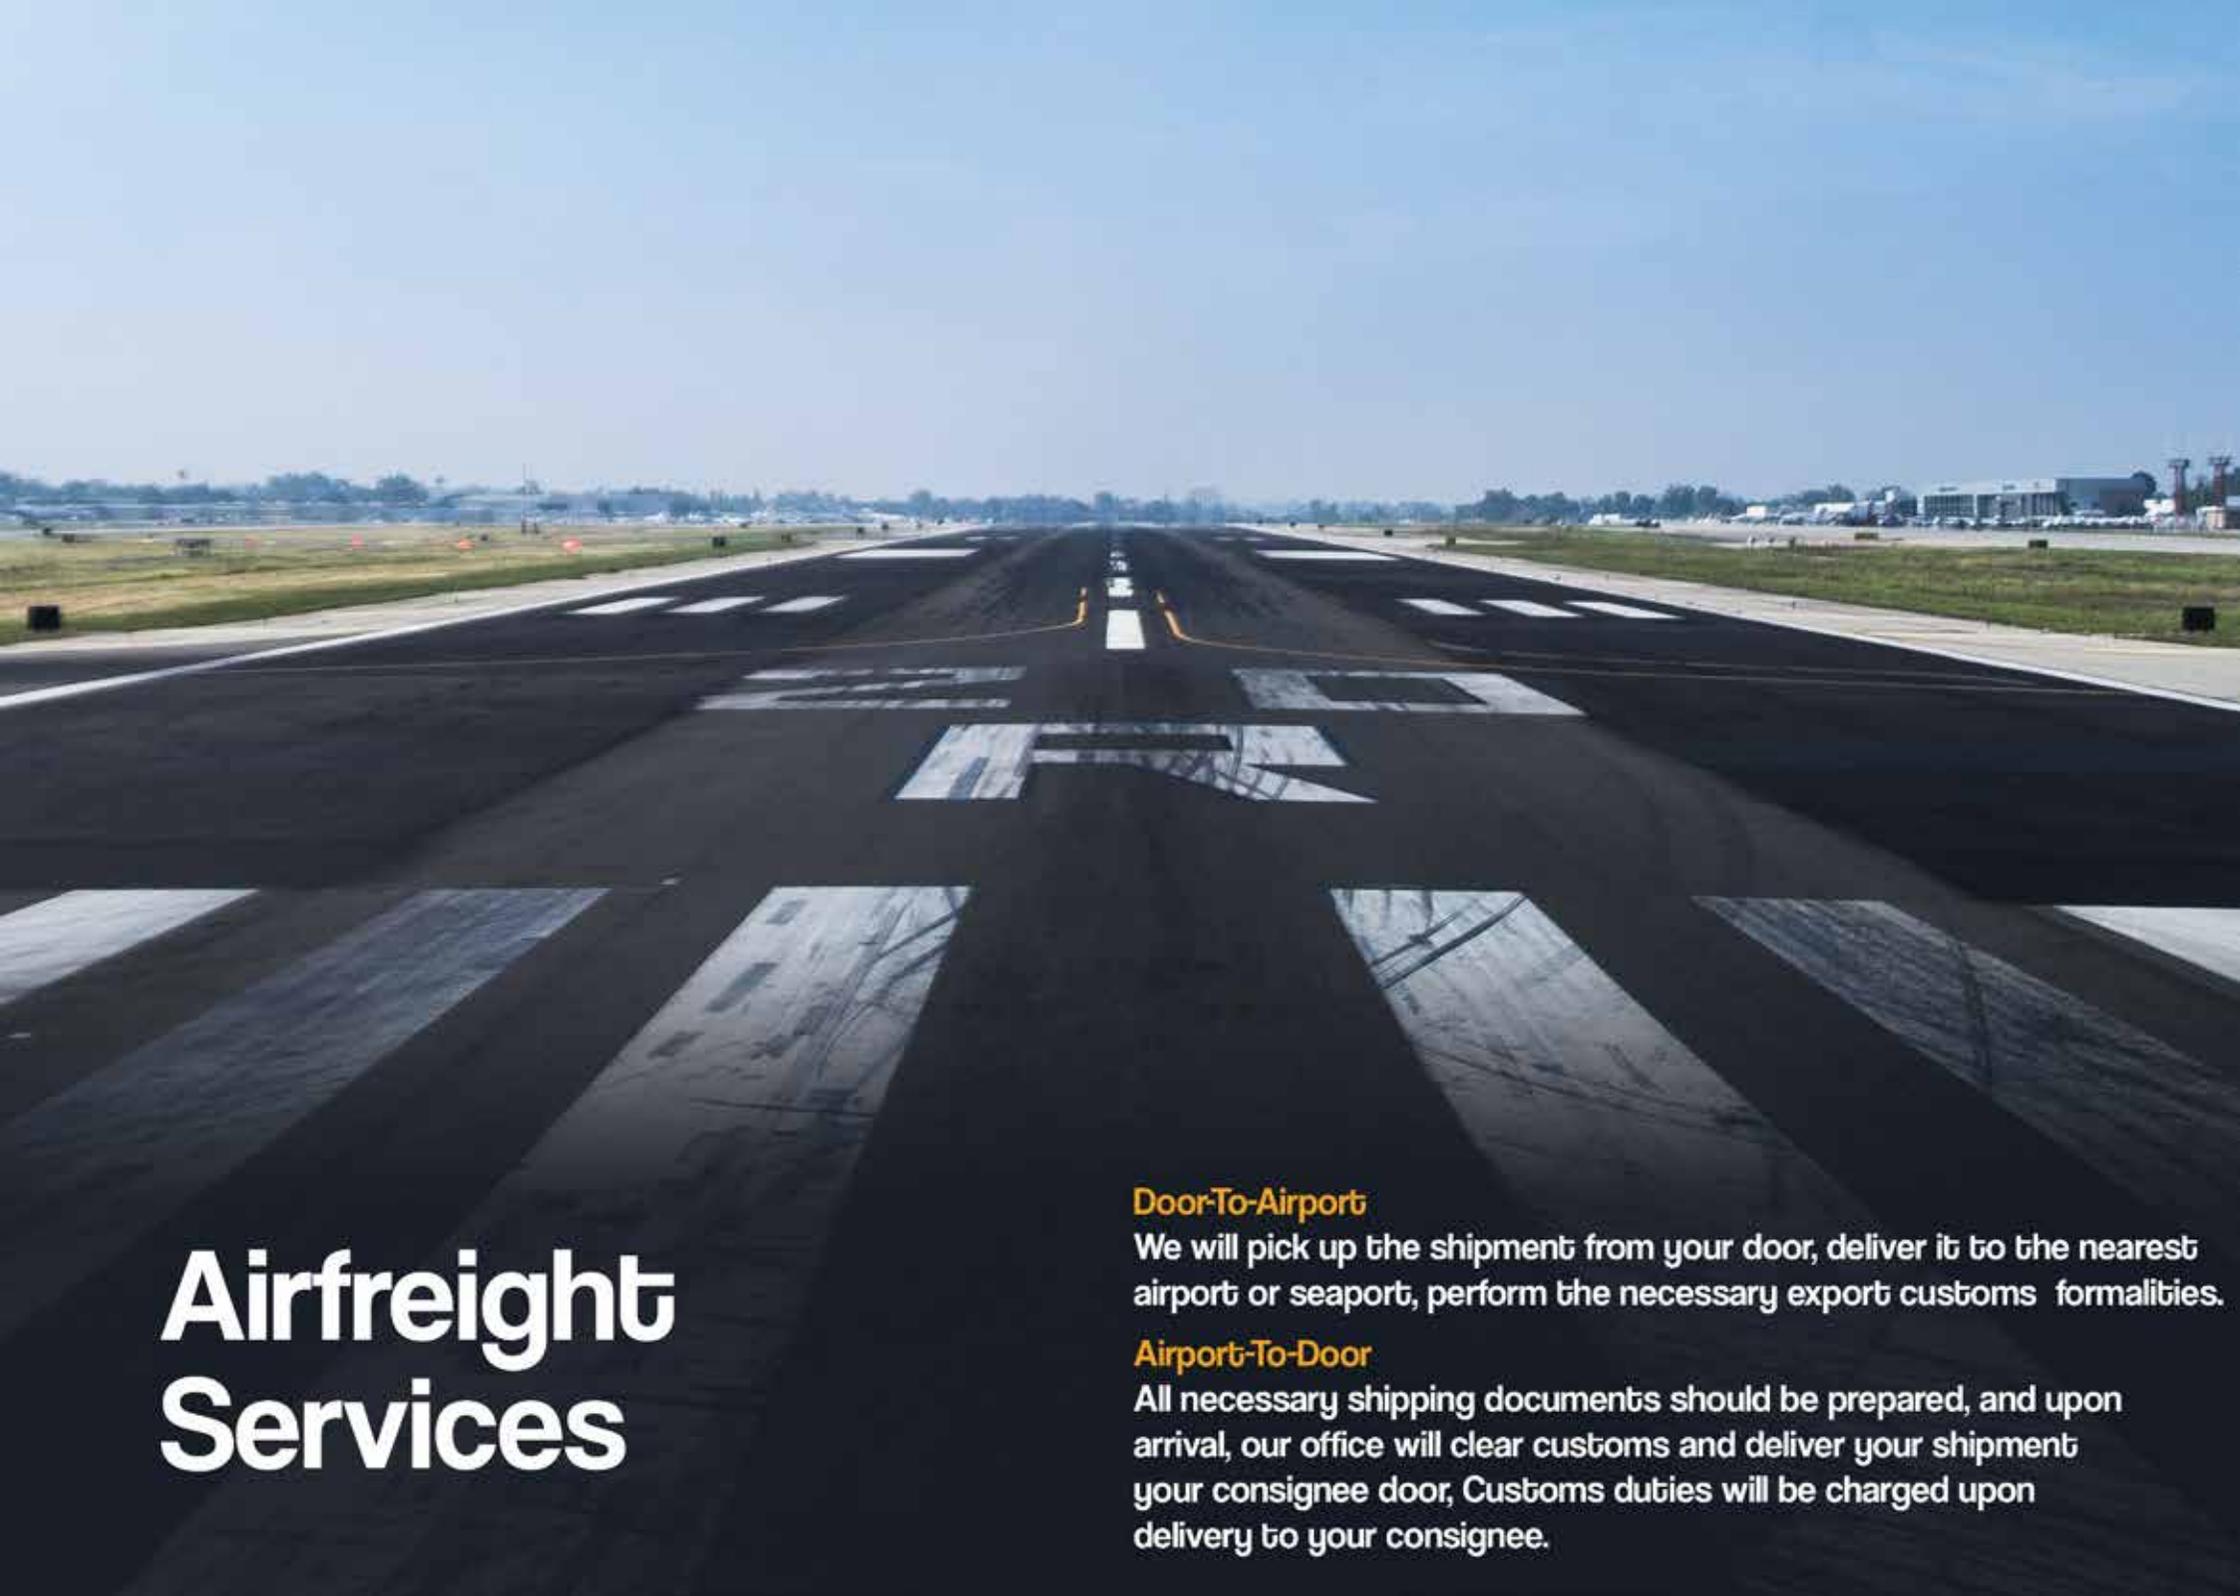

Airfreight Services

Egypt Air Moving Agent

We are playing a husbanding tool for Egypt Air - as we been assigned to handle all their back and forth Aircrafts engine export and import

Door-To-Door

From pick-up, documentation, custom clearance to door delivery, this comprehensive service is designed to meet your distribution needs worldwide within our global network.

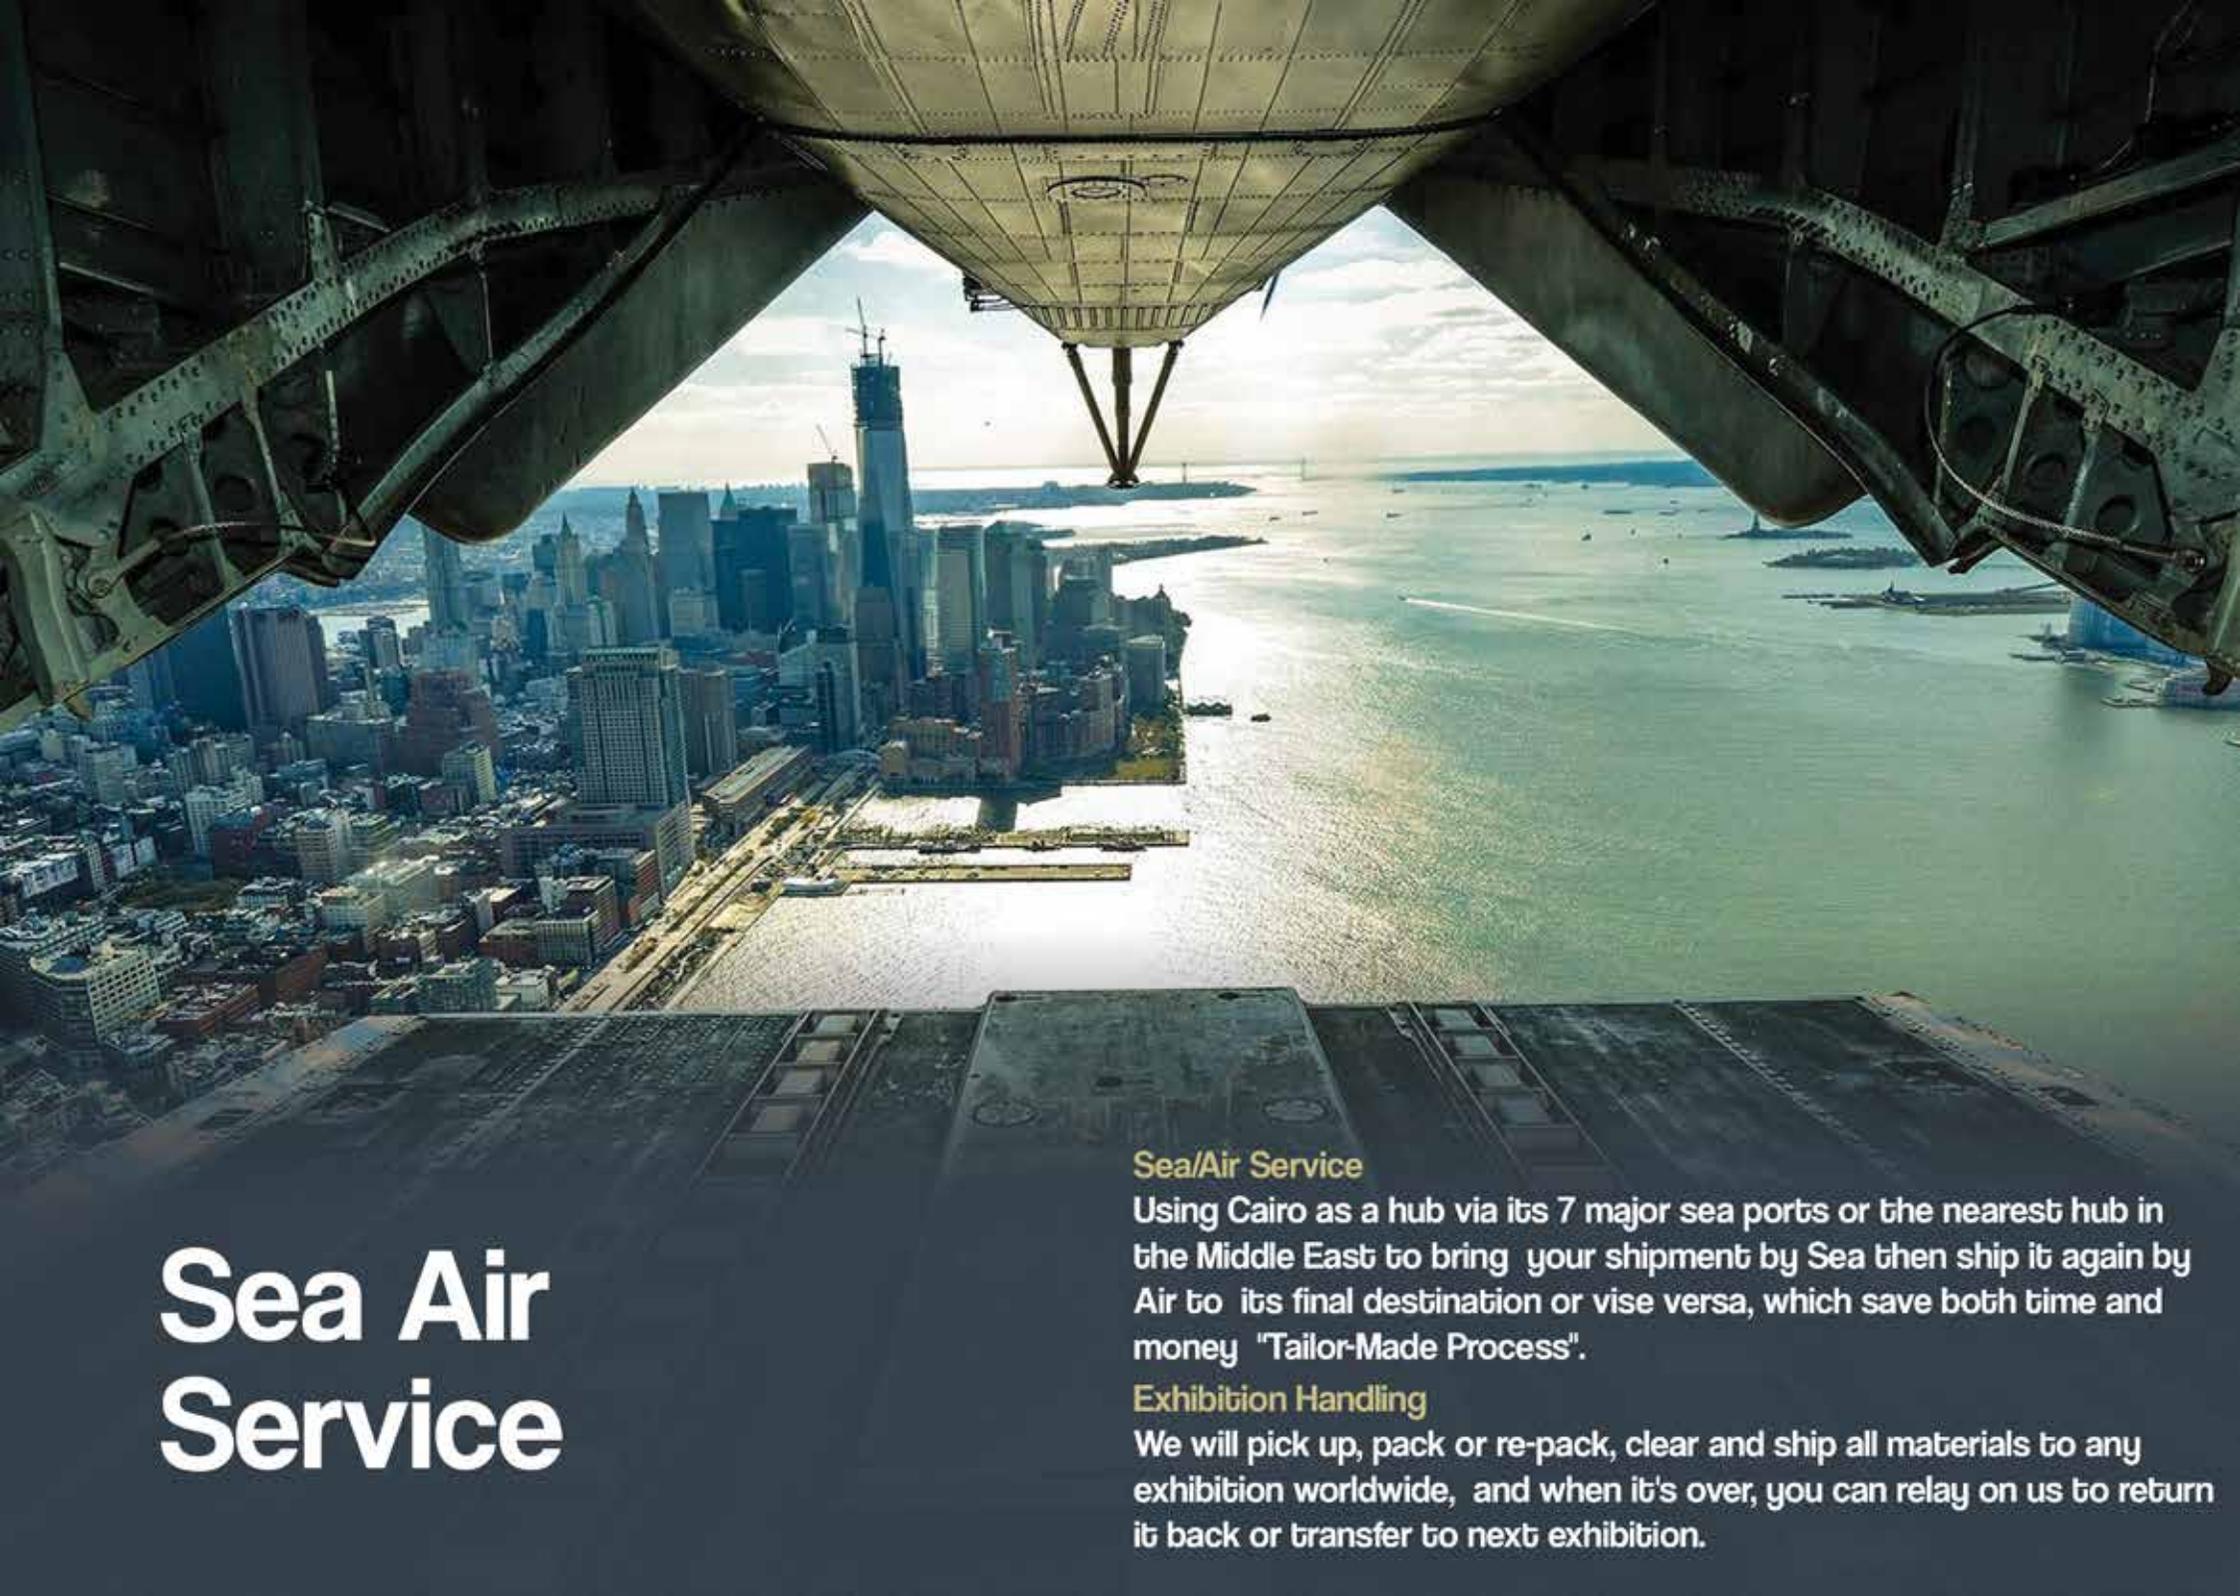

Airfreight Services

Door-To-Airport

We will pick up the shipment from your door, deliver it to the nearest airport or seaport, perform the necessary export customs formalities.

Airport-To-Door

All necessary shipping documents should be prepared, and upon arrival, our office will clear customs and deliver your shipment your consignee door, Customs duties will be charged upon delivery to your consignee.

An aerial view from the cargo hold of a large aircraft, looking out over a city and a body of water. The view is framed by the dark, metallic structure of the plane's cargo bay. The city below is densely packed with buildings, and the water is a deep blue-green. The sky is bright with some clouds.

Sea Air Service

Sea/Air Service

Using Cairo as a hub via its 7 major sea ports or the nearest hub in the Middle East to bring your shipment by Sea then ship it again by Air to its final destination or vice versa, which save both time and money "Tailor-Made Process".

Exhibition Handling

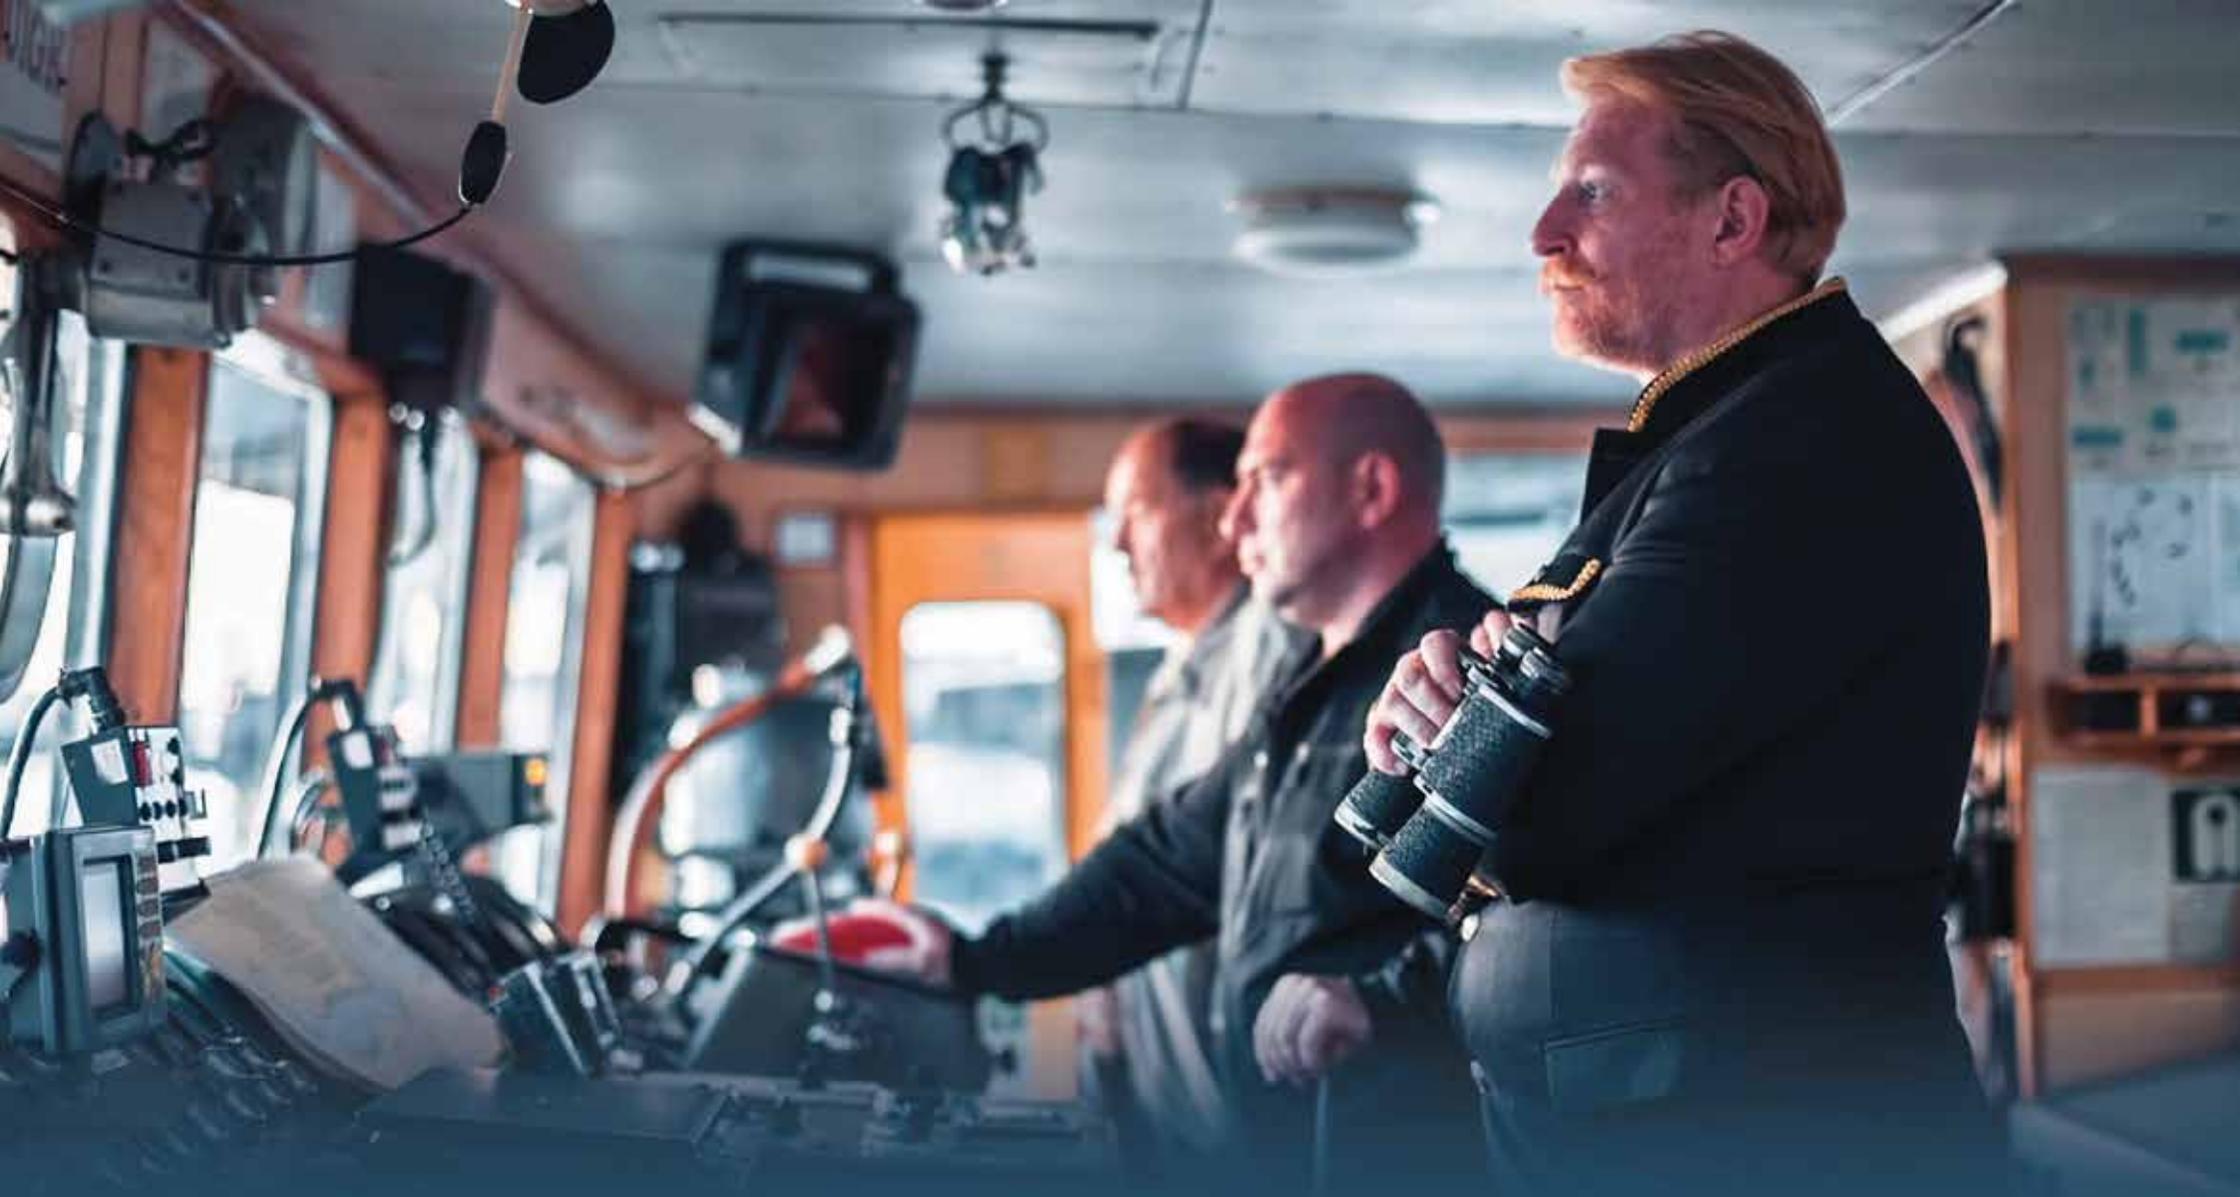

We will pick up, pack or re-pack, clear and ship all materials to any exhibition worldwide, and when it's over, you can rely on us to return it back or transfer to next exhibition.

Sea Air Service

Personal Effects Handling

If you just moved, we will handle the whole process of packing, crating, inland, shipping and documentation till delivery to final destination.

Sea Freight Services

FCL "Full Container Load" LCL "Less Container Load" Consolidation Shipments " FCL/LCL" Hangers/Break Bulk, Reefer & Project Cargo. Long term relationships with all shipping lines, that enable us offering our customers the balance between rates and services . We consolidate small volume shipments on behalf of our customers to save cost and time. We are specialists in the entire market handling garments on hangers for global accounts.

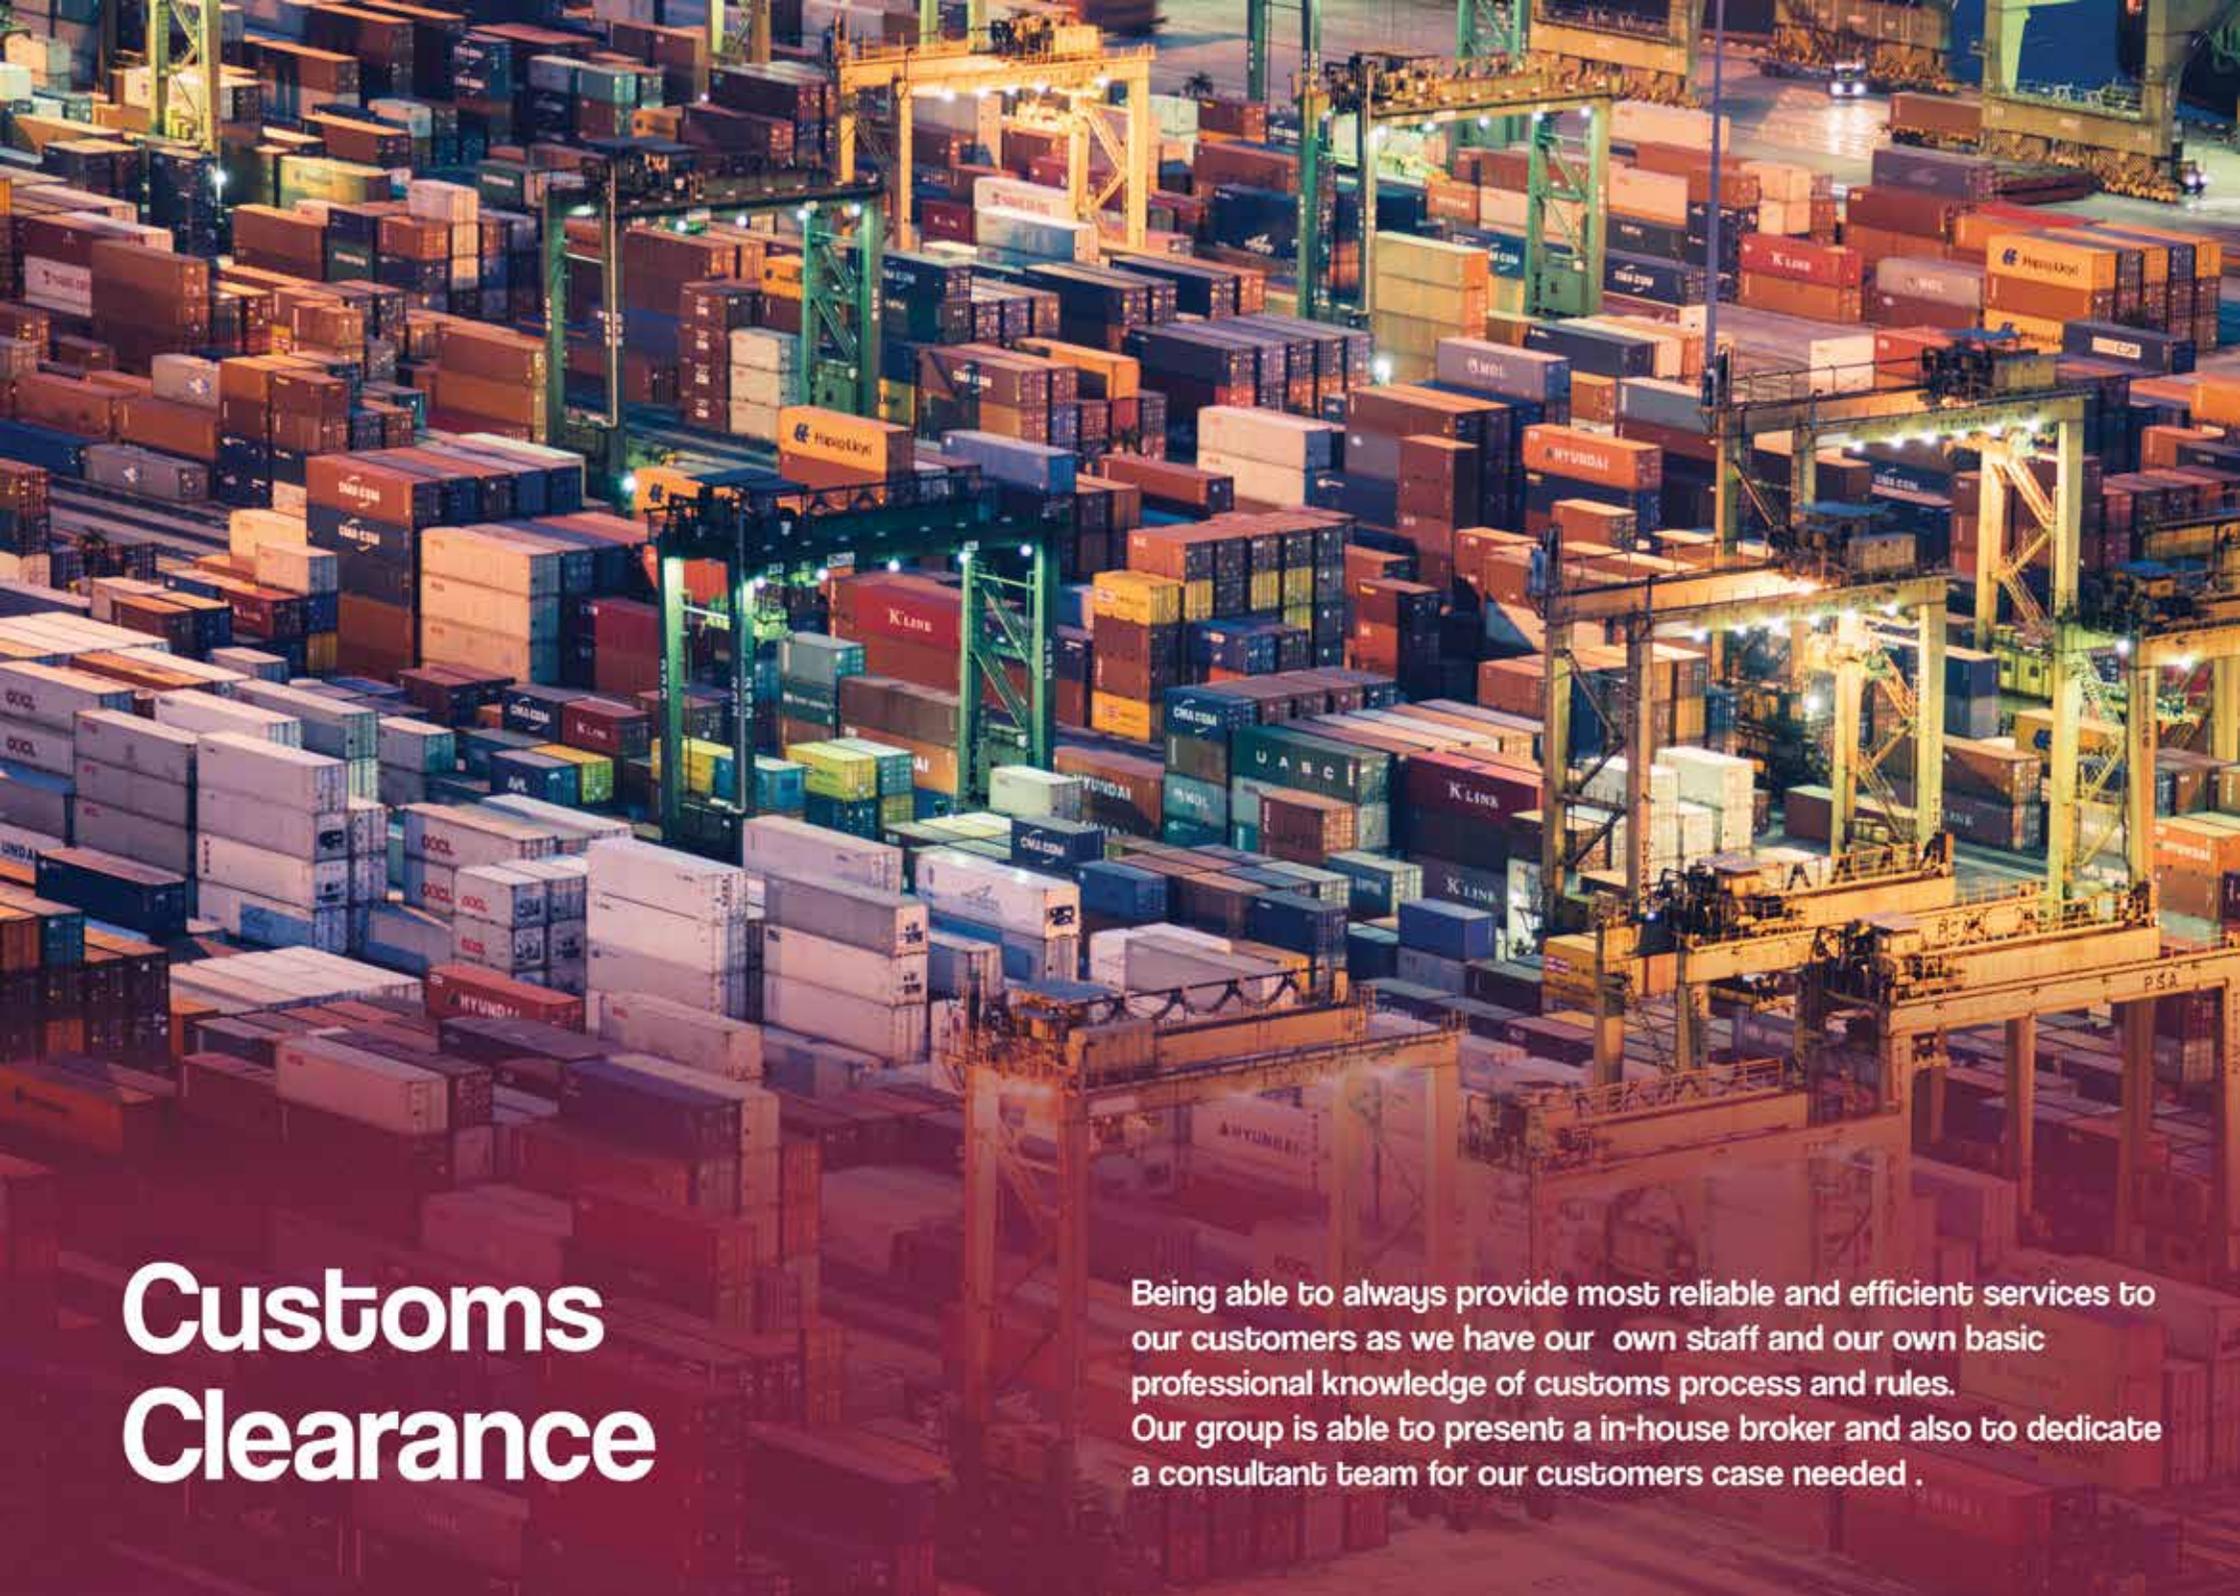

Other Logistics Services

The most high qualified and trained staff who on top of Know-How - as we believe We pursue sustainability within our operations by striving to make them socially responsible, environmentally aware and economically practical .

An aerial photograph of a large industrial warehouse facility. The building has a dark, flat roof with several large, light-colored rectangular sections. A long loading dock runs along the side of the building, with numerous semi-trailers parked in a neat row. The trailers are mostly white, with some having colored accents (blue, red, yellow). The ground in front of the dock is a dark, paved area with some stains and debris. The overall scene depicts a busy logistics and distribution center.
